County Executive Gardner to Hold “Talk of the Town” Outreach Session with Residents in Brunswick Area on November 14

FREDERICK, MD – County Executive Jan Gardner continues her new citizen-focused series called the “Talk of the Town” with residents in the Brunswick area from 10:00 a.m. – Noon on Saturday, November 14, at the [Brunswick Library](#), 915 North Maple Avenue, Brunswick, Md.

Executive Gardner said, “As I promised during my campaign to be the first county executive under our new form of Charter government, I will personally reach out to our residents to hear what’s on their minds and to invite everyone to talk to me about any subject, program, problem or issue they wish to. I welcome the residents of Brunswick, Rosemont and the surrounding area to join me for informal, friendly meetings. I want to give our residents the opportunity to talk and I promise to listen and care about what they care about.”

The purpose of the “Talk of the Town” outreach sessions are to reach out to residents in municipalities, towns and local settings. The open-door meetings will be held in various locations around Frederick County in a comfortable setting that will allow residents to stop by and ask questions, discuss their ideas for the future and also express any concerns.

For more information on “Talk of the Town” meetings, contact Executive Gardner at 301-600-3190 or via e-mail at jgardner@FrederickCountyMD.gov.
